Songbook References

These songs are published in songbooks by Sri Chinmoy. The majority of the songs in these sets are published in the *Enthusiasm Songbooks*. Some are published in the *God-Devotion-Teardrop* (see at end of the following list). Others are in various songbooks, you can search on srichinmoysongs.com or srichinmoylibrary.com for these.

Sri Chinmoy composed over 23,000 songs in his lifetime (1931-2007), primarily in the Bengali language. So these songs —English songs composed between December 1999 and September 2007 — represents only a tiny, tiny portion of that vast collection.
